

## Camping Restrictions

We welcome all visitors to our Shire and hope that you will enjoy your stay.

The Shire of Lake Grace supports our Caravan Parks and the following requirements under State Camping Regulations are in place within the Shire:

 Camping includes sleeping in a tent or vehicle. There is generally **NO FREE CAMPING** in the Shire. You are unable to camp anywhere other than a Caravan Park or designated Camping Ground. Any person found to be camping illegally may be issued with a fine/infringement notice and moved on.

### Exemptions include:

- A roadside Rest Area indicated by a traffic sign (see right) erected in accordance with a written law as an area which may be used for a period of 24 hours only to rest, stop or camp.
- Information and Parking bays, (see right), fall under a road reserve (roadside) category. They are not a 24-hour rest stop except in the case of an emergency. Be aware by doing so may cause hazard to other road users.

Parking

## Rubbish

Please try to keep our Shire tidy. Rubbish bins are provided at most locations. Where they are not, please take all your rubbish with you including cigarette butts.

If a bin is full, do not leave your rubbish beside the bin but take it with you. Make sure the bin lids are closed to prevent wildlife from scattering litter.

Report rubbish dumpers to the Shire. It is illegal to litter within the Shire and litterers will be fined.

## RV Friendly Towns

Lake Grace is the only RV Friendly Town within the Shire of Lake Grace. In order to join the RV Friendly Town programme, initiated by the Campervan & Motorhome Club of Australia Limited (CMCA), the town had to comply with a set of guidelines. The guidelines only specify that there be a 'provision of short-term, low-cost overnight parking (24/48 hours) for self-contained RVs, as close as possible to the CBD'.

It is the preference of the Shire of Lake Grace that our caravan parks be supported so please note there is no free overnight parking in the towns of Lake Grace, Newdegate and Lake King.

## Fire Restrictions

Be aware of the following camp fire restrictions:

-  It is prohibited to light a fire between 1st November and 31st January.
- There is restricted burning allowed (through obtaining a permit) from 19th September to 31st October and from 1st February to 30th April.
- In the case of a Total Fire Ban (TFB) being declared within the Shire of Lake Grace, it is illegal to do anything that is likely to start a fire which includes cooking outside using an open fire. Any person breaking the TFB could be fined up to \$25,000.00 and/or jailed for up to 12 months.

Contact Shire of Lake Grace on (08) 9890 2500 for further information.
